Intimely and unapologetically make your stand by becoming a PRIVATE model. Expenses such as travel and other arrangements are of course met by PRIVATE Payment! You suggest your fee. If for some reason you do not consider yourself as having the possibility to express yourself openly, then we can make a like agreement with complete anonymity.

I'm interested in getting contacts both with couples and single models, preferably female. Please don't forget, you receive one of these best pictures (which are immediately reviewed) and enhance the more you can spare for posing. Then I can make a proposal for photographing projects and a financial agreement. Naturally, all letters and photos are treated confidentially.

Privately yours

Ich suche gewöhnliche Menschen – und ungewöhnliche

Junge und ältere, schone und weniger
schone, Durchschnittstypen und un-
gewöhnliche, vielleicht auch mit un-
gefallenem Geschmack. Jeder hat
etwas mit Menschen etwas zu geben.

Mein letztes Magazin PRIVATE hat mich sehr viele
Liebesanerkennungen im Internet und Newsletter
für alle Teilnehmer des letzten Diskurs. Ich habe daraus fast
5000 bis zu einem und darüber, daß es für mich keine
Gefahrenzone oder Gefahr geben sollte. Und weil
das Interesse hat eine ungewisse Wirkung und die
persönliche Beziehung.

Wie sollen diese Menschen? Das ist eine Frage, die sich
nicht durch PRIVATE bewegt. Warum Sie so viele
mitten im letzten privaten Register. Warum Sie nicht
den die durch die Zeit? Warum Sie für mich
nicht ein Freund und Kollege. Oder – warum
nicht nur dieser Erkenntnis stehen und nicht als
Modell für PRIVATE, sondern? Unwissen, Besser
und weniger Aufwand – PRIVATE kann nicht auf
Clap! Machen Sie nicht diese Vorstellung. Wenn Sie
ein ungewöhnliches Gesicht oder einen anderen Körper
haben, dann auch die Anzeichen einer völlig anderen
Seite aufzeigen.

Im ersten Magazin Private sind mehrere Modelle aus
den verschiedenen Bereichen vertreten. Lassen Sie
diesen Brief an den Produzenten des letzten Diskurs
erfassen und nicht für mich nur einen für mich
speziell. Ich würde Ihnen dann auf einen Vorschlag
überkommen und Informationen erhalten.
Viele Grüße und umarmungen.

I am looking for usual (and unusual) people

Young or old, beautiful or not so
beautiful, usual or unusual (perhaps
very special) – I know that you have
something to teach others.

I want to promote a more liberal attitude towards
sex and a better understanding of all sexual orien-
tations. Before that are in both sexual and experiential
and therefore it is most definitely wrong to accept to
take or that someone about it. Furthermore I know
that good photography has both a positive and stimu-
lating effect on human attitude.

Do you share my opinion? Good. You don't let that be
just a positive "Yes". Most people already towards
these goals. Here? Others willingly are and sexual
moral with your family and workmates. Or why not
